Why do this course?

Opticians, who sell Contact Lenses & related products have to register under the Medical Devices (MD-41& 42 forms).
It's always better to have proper scientific & technical knowledge about the Contact lenses you are selling.

Course Advantages :

- Makes you ready to face the regulatory changes in business
- Provides you with scientific and technical knowledge
- Increased profitability in business by adding extra skills
- Learn from a subject expert
- Better problem solving ability
- Helps in better customer retention

ISDT :

Institute of Skill Development and Training is at the forefront to upskill and upgrade the currently working optician since last 15 years. We have trained and certified more than 12000 opticians across the country.
ISDT works with more than 75 optical associations across India.
